

# PROJECT SHEET

<b>Project</b>	Extensions and Alterations	Working closely with our client, Larens Patisseries (now part of the Bakkavor Group), we have carried out extensions and alterations to provide new production bays, cold stores, chilled storage and office extensions in the demanding constraints of a food production facility. Works were planned closely with the Clients Project Management Team to ensure the continuous running of the companies operation whilst maintaining extreme hygiene requirements, which were subject to random audits by customers such as Tesco and Marks & Spencer.
<b>Location</b>	Newark, Nottinghamshire
