

JMH GROUP HSQE MANUAL

3.2. ENVIRONMENTAL POLICY STATEMENT

The JMH Group recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with the requirements of ISO14001:2015, all relevant compliance obligations relating to the provision of building and construction services, plant hire, crane hire and horizontal directional drilling operations. It is the Groups declared policy to operate with and to maintain good relations with all regulatory bodies.

It is the Groups objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve the environmental management system and environmental performance through the implementation of the following:

- a) Assess and regularly re-assess the environmental effects of the group's activities
- b) Training of employees in environmental matters
- c) Minimise the production of waste
- d) Minimise material wastage
- e) Minimise energy wastage
- f) Promote the use of recyclable and renewable materials
- g) Reduce and/or limit the production of pollutants to water, land and air
- h) Control noise emissions from operations
- i) Minimise the risk to the public and employees from operations and activities undertaken by the Group
- j) Protection of the environment, including prevention of pollution

A copy of this Policy Statement is available to all relevant interested parties upon request from the Group Company Secretary.
